"Town of Ladysmith Zoning Bylaw 2014, No. 1860, Amendment Bylaw 2023, No. 2150"

**Property: 19 Gatacre Street** 

Members of the public attending: 4

#### 5.1 Outline of Public Hearing Process - Mayor Stone

Mayor Stone outlined the Public Hearing process and stated that the public would have the opportunity to provide their comments to Council about Bylaw No. 2150.

He advised that staff would introduce the proposed bylaw amendment, followed by public submissions. He reminded the public that the content of submissions would be made public and form a part of the public record for the Hearing, and that the function of Council at a Public Hearing is to listen rather than to debate the merits of the proposed bylaws, although they may ask clarifying questions. He advised that once everyone had an opportunity to be heard, the Public Hearing would be closed and no further submissions or comments could be accepted by members of Council.

## 5.2 Introduction of Bylaw and Statutory Requirements - Planner, Development Services

Andrew Wilson, Planner, Development Services, introduced "Town of Ladysmith Zoning Bylaw 2014, No. 1860, Amendment Bylaw 2023, No. 2150".

Mr. Wilson advised that the purpose of Bylaw No. 2150 is to amend the Town of Ladysmith Zoning Bylaw 2014, No. 1860 to permit a *Funeral Home* as a permitted *Principal Use* subject to the condition that hosting funerals or memorials is prohibited.

Mr. Wilson confirmed the Public Hearing notification and engagement process. Notice of this Public Hearing was printed in the Ladysmith Chronicle on November 16, 2023, posted on the Town's website and community notice boards, and mailed and delivered to all properties located within 60 metres of the subject property.

A copy of the Notice, the proposed Bylaw, and background information was made available at the Front Counter of City Hall and Development Services, and on the Town's website for the Notice period. Staff in the Development Services office were available to respond to questions prior to the Public Hearing.

#### 5.3 Submissions

Mayor Stone invited the applicant to make the first submission, but they declined.

Town of Ladysmith Public Hearing and Regular Council Meeting Minutes: Nov. 21, 2023

#### 5.4 Call for Submissions to Council (Three Times) - Mayor Stone

Mayor Stone called for submissions from the public.

Mayor Stone called for submissions a second time.

Mayor Stone called for submissions a third time and final time.

No one wished to speak regarding "Town of Ladysmith Zoning Bylaw 2014, No. 1860, Amendment Bylaw 2023, No. 2150".

Mayor Stone asked the Corporate Officer, S. Bouma, if any submissions had been received during the hearing. The Corporate Officer advised that no submissions had been received.

#### 5.5 Declaration that the Public Hearing for Bylaw No. 2150 is Closed - Mayor Stone

Hearing no comments and receiving no further submissions, Mayor Stone declared the Public Hearing for Bylaw No. 2150 closed at 6:06 p.m. and stated that no further submissions or comments from the public or interested persons could be accepted by members of Council.

#### CS 2023-266

That Council:

- 1. Defeat "Official Community Plan Bylaw 2003, No. 1488, Amendment Bylaw (No. 73) 2022, No. 2130".
- 2. Having considered s. 475 of the *Local Government Act*, and in particular the matters set out in subsections (2)(a) and (b), resolve that:
  - a. The Stz'uminus First Nation and the School District 68 Board are the only entities that are appropriate to consult in connection with "Official Community Plan Bylaw 2022, No 2200, Amendment Bylaw 2023, No. 2161";
  - b. The consultation process described in the staff report to Council dated November 21, 2023, is sufficient in respect to the proposed Official Community Plan Amendment; and
  - c. The consultation process outlined in the staff report to Council dated April 6, 2021, for the application was carried out and there are no material changes in Bylaw No. 2161 that warrant additional consultation with agencies other than Stz'uminus First Nation and School District 68.
  - d. consultation should be early but need not be ongoing;
- 3. Give first and second readings to "Official Community Plan 2022, Bylaw No. 2200, Amendment Bylaw 2023, No. 2161";
- 4. Consider "Official Community Plan 2022, Bylaw No. 2200, Amendment Bylaw 2023, No. 2161" in conjunction with the Town's Financial Plan, the Town's Liquid Waste Management Plan, and the Cowichan Valley Regional District Solid Waste Management Plan, pursuant to section 477(3) of the Local Government Act;
- Consider "Official Community Plan 2022, Bylaw No. 2200, Amendment Bylaw 2023, No. 2161" in conjunction with the Town's Housing Needs Report and the housing information on which the report is based, pursuant to section 473(2.1) of the *Local* Government Act:

- 6. Direct staff to refer "Official Community Plan 2022, Bylaw No. 2200, Amendment Bylaw 2023, No. 2161" to:
  - a. School District 68 pursuant to section 476 of the *Local Government Act*; and
  - b. Stz'uminus First Nation, pursuant to The Naut'sa Mawt Community Accord and Memorandum of Understanding between the Town and Stz'uminus First Nation.
- 7. Require that, as a condition of approval "Official Community Plan 2022, Bylaw No. 2200, Amendment Bylaw 2023, No. 2161" and "Town of Ladysmith Zoning Bylaw 2014, No. 1860, Amendment Bylaw (No. 54) 2022, No. 2131" require that the applicant, at their cost and using the Town's lawyer, register on the title of the consolidation of 10940 Westdowne Road (Lot 1, District Lot 72, Oyster District, Plan 24076, PID: 002-976-978), 10980 Westdowne Road (Lot 13, District Lot 72, Oyster District, Plan 8793, Except Part Shown Coloured Red on Plan 895 RW and Except Part in Plan 43821 VIP8793, PID: 001-618-920), and Parcel A (DD 391231-i) of Lot 14, District Lot 72, Oyster District Plan 8793 Except That Part in Plan 24076 (PID: 001-618-881), a covenant pursuant to section 219 of the Land Title Act requiring the following:
  - a. The prohibition of fossil fuels as the primary energy source for space and water heating or cooling, with exemptions for gas powered on-demand hot water and secondary space heating, for all new heated/cooled buildings (e.g. dwellings, indoor activity spaces, etc.) for the whole Town and Country Mobile Home Park.
  - b. Installation of a collective rainwater management system designed to manage flows to pre-development rates and incorporating an integrated approach (e.g. bioswales, rain gardens, etc.), prior to construction of any additional dwelling units on the area of the subject property (10940 Westdowne Road).
- 8. Direct staff to proceed with scheduling and notification of a public hearing for Bylaw No. 2161 pursuant to section 464(1) of the *Local Government Act*.

### CALL TO ORDER AND ACKNOWLEDGEMENT

The Chair called the meeting to order at 7:01pm and acknowledged with gratitude that the meeting was taking place on the unceded territory of the Stz'uminus First Nation.

#### AGENDA

2023-24:

That the Parks, Recreation & Culture Advisory Committee approve the agenda for the meeting as presented.

Motion Carried.

#### **MINUTES**

2023-25:

That the Parks, Recreation & Culture Advisory Committee approve the minutes of the September 20, 2023 meeting as presented.

**Motion Carried** 

#### **NEW BUSINESS**

#### Ladysmith Skatepark Society Presentation

- Presentation was given regarding theLadysmith Skatepark Society.
- The Society has raised the profile of the skatepark usage, building a sense of community with variety of ages and gender dynamics. They have also reclaimed the space within the last 1.5 years.
- The current goal is to raise money and rebuilt the skatepark with an
  estimated cost of \$1 million+. The design is pivotal in determining these
  costs. Staff will be submitting a 2024 Capital Request for a skatepark design
  for Council consideration. Once the design is complete, the community
  engagement and fundraising campaigns will begin, and the society has the
  target goal to fundraise the project costs.
- The Committee suggested the Society join the BC Cycling Coalition, as an organization. Members of the Coalition, receive free insurance for events and other initiatives.

#### Rutti Park – Public Engagement Plan timeline and next steps

The Committee will provide the Rutti Park Plan Public Engagement timeline and next steps at the June 21, 2024 meeting, and will reconfirm the timeline.

#### Public Art Committee appointee

2023-26:

With the upcoming transition of the Public Art Committee in 2024, the Committee appointed L. Baker as a voting member, and G. Filewych as a non-voting member. *Motion Carried*.

### PRC DEPARTMENT UPDATE

#### **PRC Department Update**

C. Barfoot provided an update on the department, as well as on the Practice Pitch and Forrest Field Phase 1 upgrades.

#### **NEXT MEETING**

7:00pm on Wednesday, December 20, 2023 at FJCC

#### **ADJOURNMENT**

2023-27:

That the Parks, Recreation & Culture Advisory Committee adjourn this meeting at 8:16pm.

**Motion Carried** 

#### STAFF REPORT TO COUNCIL

**Report Prepared By**: Erin Anderson, Director of Financial Services

**Reviewed By:** Allison McCarrick, CAO **Meeting Date:** December 5, 2023

File No: 1700

Re: 2024 Budget Deliberations – General Capital

#### **RECOMMENDATION:**

That Council direct staff to include the projects presented in the report dated December 5, 2023, from the Director of Financial Services for inclusion in the 2024 – 2028 Financial Plan.

#### **EXECUTIVE SUMMARY:**

Continuing with the 2024 budget deliberations, staff have presented the proposed general capital projects for consideration for the upcoming year.

#### PREVIOUS COUNCIL DIRECTION:

N/A

#### **INTRODUCTION/BACKGROUND:**

There are a number of new projects set to begin in 2024. Keeping with the current Financial Plan policy, 10% of the previous year's municipal taxes are allocated to fund a portion of the 2024 projects. Reserves, Canada Community-Building Fund, grants, regional recreation funding and donations fund the remainder.

Projects are included in the Financial Plan based on a number of factors:

- Alignment with Strategic Plan;
- Supports ongoing service delivery (operations);
- Legislative requirements.

From there, the projects are evaluated based on priority. The priority rankings are:

- Immediate –corrective action is required immediately to reduce further issues;
- Important but not critical —a plan is in place currently but attention to this matter will be needed in the future;
- Optional there are existing options, though enhancements could be made that would improve the functionality.

Often the priority is tied to the risk of the project.

The 2024 general capital projects are estimated to cost over \$1.8 million. The projects are proposed to be funded by:

Total Projects	\$1,814,171
Funding from:	
Taxation	790,717
Real Property Reserve	250,000
Surplus	25,000
Fire Hall Building	20,000
Building	12,000
COVID	110,000
Policing Reserve	25,000
Equipment Reserve	56,621
Transportation Reserve	15,000
Canada Community-Building	110,000
Grant – awaiting decision	100,000
Regional Recreation	268,333
Donation – unconfirmed	31,500

The capital projects at the FJCC are funded through Regional Recreation,, essentially making the Town's contribution 1/3<sup>rd</sup> of the costs directly.

There are a few high-priority/ high-risk projects that are required by outside authorities. These projects include:

- Fire Hall Bay Floor Refinishing due to reducing slip hazards; and
- First Aid Room at Public Works (and Mechanical/Engineering/HVAC and Electrical upgrade at PW) as a new requirement by WorkSafe. In order to do this renovation, an upgrade to the electrical and mechanical system at Public Works is also required.

The total cost of the high-priority/high-risk projects is \$572,500, with \$199,167 of the funding to come from taxation.

There are several medium-priority/medium risk projects. These are projects that require attention, just not necessarily immediately:

- Aggie Hall Floor refinish;
- Bollards 1st Avenue;
- Chip sealing select alleyways;
- Design for Clubhouse at Forrest Field;
- FJCC Accessibility Improvements;
- Kubota Lawn Mower (Equipment Replacement);
- Security/Fire Monitoring System Upgrades;
- Skate Park preliminary redesign;
- V-plow and spreader (Equipment Replacement);
- Waterfront projects;
- 630 2nd Ave building Painting;

- Aggie Playground Accessible Walkway to Gazebo;
- Brown Drive Park Plan Phase 1;
- Dogwood pedestrian improvement;
- Duct Cleaning TOL buildings;
- High Street Ball Field Washroom and Concession repairs;
- Museum Accessible Ramp Replacement;
- Prius (Equipment Replacement).

The value of these projects is \$827,421 with \$387,300 of the funding coming from taxation.

Some optional projects include the following. What makes them optional is there are currently workable options for these projects, though enhancements would be better:

- Davidson sidewalk connector;
- Fire Hall Security Gate and Driveway for FD Vehicles;
- Mountain Bike Trail Network;
- Cenotaph Restoration;
- Fire Hall HVAC (Boiler replacement);
- Pedestrian crossing flashing lights Christie/4<sup>th</sup>;
- Pedestrian crossing flashing lights Stephenson/Dogwood;
- RCMP workstation partitions.

The value of these optional projects is \$407,500 with \$197,500 coming from taxation.

Looking forward to 2025, there are some additional high-priority projects that are scheduled to begin:

The remaining phases of the FJCC roof replacement for \$882,500.

#### **ALTERNATIVES:**

Council can choose to:

1. Add, modify, or replace projects though staff will be required to determine the amount of funding and taxation impacts of any changes.

#### FINANCIAL IMPLICATIONS:

There is 10% of the prior year taxation set aside for capital. Council could change this amount, though it would impact property taxes.

#### **LEGAL IMPLICATIONS:**

n/a

#### CITIZEN/PUBLIC RELATIONS IMPLICATIONS:

Citizens may be interested in some of the coming projects set for 2024.

#### INTERDEPARTMENTAL INVOLVEMENT/IMPLICATIONS:

Each department is responsible for costing and evaluating their capital projects. If approved, the Director in each area will lead their project.

ALIGNMENT WITH STRATEGIC PRIORITIES:

☐ Core Infrastructure
☐ Seconomy
☐ Official Community Plan Implementation
☐ Not Applicable
☐ Not Applicable

I approve the report and recommendation.

Allison McCarrick, Chief Administrative Officer

#### STAFF REPORT TO COUNCIL

**Report Prepared By**: Ryan Bouma, Director of Infrastructure Services

**Reviewed By:** Len Thew, Manager of Operations

Meeting Date: December 5, 2023

File No:

Re: Street Sweeper Replacement Opportunity

#### **RECOMMENDATION:**

That Council amend the 2023-2027 Financial Plan to revise the street sweeper replacement budget to \$450,000, with the additional funds of \$30,000 to come from the savings in other projects and from the equipment replacement reserve and \$20,000 to come from the trade-in of the Town's current sweeper.

#### **EXECUTIVE SUMMARY:**

The Town's street sweeper, which is a 2004 model, was due for replacement in 2023 with a budget of \$400,000. In the time between initial pricing, budgeting, and updated quotes, the price increased to \$440,000 for a demo unit. Recently, the equipment supplier offered the demo unit for \$411,866 plus taxes with a \$20,000 trade in value for the 2004 model. The demo unit realizes significant cost savings and immediate delivery.

#### PREVIOUS COUNCIL DIRECTION:

Meeting Date	Resolution	ResolutionDetails
August 1, 2023	CS 2023-199	That Council direct staff to:  1. Amend the 2023-2027 Financial Plan to include \$10,000 for the purchase of scaffolding equipment, with the funds to come from prior year surplus;  2. Amend the 2023-2027 Financial Plan to include \$12,000 for the purchase of a passenger truck, with the funding to come from the proceeds of the sale of the Unit 239 Dump Truck; and  3. Utilize Canoe Procurement Group to source the purchase of the Parks Tractor and the Streets Sweeper.  Motion Carried

#### **INTRODUCTION/BACKGROUND:**

The Town's street sweeper is a 2004 model that was purchased used in 2010. Repair costs have been escalating, including \$22,415 in repairs in 2022, and the vehicle is now due for further repairs in 2024 estimated to be \$30,000.

A \$400,000 budget was set to replace the street sweeper in 2023, but pricing came in higher than expected with a quote of \$440,000 for a demo unit. Pricing for a new unit was not sought after this initial price was quoted. After some discussion with the supplier, Vimar Equipment, the demo unit was offered for \$411,866 plus taxes with a trade in value of \$20,000 for our 2004 model. After non-rebate taxes and trade in, the price is now \$420,696; however, staff are requesting the budget be updated to \$450,000 to ensure delivery incidentals are covered.

Staff have tested the demo unit on Town streets and are satisfied with the performance. A new unit is expected to cost \$50,000 or more over the demo unit and would likely have one year or more lead time for delivery.

Several other municipalities have been offered and expressed interest in the same purchase opportunity. It is possible that despite approval, the Town may miss this opportunity. Staff will contact Vimar Equipment at the earliest opportunity should Council approve the additional funds.

#### **ALTERNATIVES:**

Council can choose to not increase the 2023 budget and wait for a future year to replace the street sweeper.

#### **FINANCIAL IMPLICATIONS:**

As the street sweeper ages, repairs are becoming more common and costly. The street sweeper is at an ideal age to replace.

The additional funds are to come from savings in the replacement of Unit #66 (tractor) for \$4,500, savings from the EV charging station (1<sup>st</sup> Ave) for \$6,500 and savings from the Dump Site Survey of \$4,000. An additional \$15,000 will come from the equipment replacement reserve which currently has \$1.9 million before this purchase is made.

#### **LEGAL IMPLICATIONS:**

Council has already authorized utilizing Canoe Procurement for this purchase.

#### CITIZEN/PUBLIC RELATIONS IMPLICATIONS:

If repairs become excessive, the street sweeper may be retired without a replacement and streets would not be adequately cleaned in the fall and spring.

#### INTERDEPARTMENTAL INVOLVEMENT/IMPLICATIONS:

#### **BYLAW NO. 2162**

#### A Bylaw to Provide for the Borrowing of Money in Anticipation of Revenue

**WHEREAS** the Town of Ladysmith does not have sufficient money on hand to meet the current lawful expenditures of the municipality;

**AND WHEREAS** it is provided by Section 177 of the *Community Charter* that Council may, without the assent of the electors or the approval of the Inspector of Municipalities, provide for the borrowing of such sums of money as may be necessary to meet the current lawful expenditures of the municipality provided that the total of the outstanding liabilities does not exceed the sum of:

The whole amount remaining unpaid of the taxes for all purposes levied during the current year, provided that prior to the adoption of the annual property tax bylaw in any year, the amount of the taxes during the current year for this purpose shall be deemed to be 75% of the taxes levied for all purposes in the immediately preceding year.

**AND WHEREAS** the total amount of liability that Council may incur is seven million and four hundred thousand dollars (\$7,400,000);

**AND WHEREAS** there are no liabilities outstanding under Section 177;

**NOW THEREFORE** the Council of the Town of Ladysmith in open meeting assembled enacts as follows:

- 1. The Council shall be and is hereby empowered and authorized to borrow upon the credit of the Town of Ladysmith an amount or amounts not exceeding the sum of seven million and four hundred thousand dollars (\$7,400,000).
- 2. The form of obligation to be given as acknowledgement of the liability shall be a promissory note or notes bearing the corporate seal and signed by the Mayor and the officer assigned the responsibility of financial administration of the municipality.
- 3. All unpaid taxes and the taxes of the current year when levied or so much thereof as may be necessary shall, when collected, be used to repay the money so borrowed.
